6th ANNUAL RADIOTHON – MAKING MIRACLES HAPPEN EARNS OVER \$520K FOR CHILDRENS HOSPITAL LOS ANGELES

OVER 3.7 MILLION DOLLARS RAISED IN 6 YEARS

Los Angeles, September 21, 2009. **104.3 MYfm** morning man and host of the Children's Hospital Radiothon, Valentine, and presenter, Foresters™ just announced today the final tally of funds raised for the hospital and the Children's Miracle Network at this year's event eclipsed \$520,000. The total includes donations and pledges made during the 2-day Radiothon broadcast on **104.3 MYfm** September 16th and 17th, as well as money raised through online donations, an E-bay memorabilia auction, affiliated events and in-kind contributions.

In making the announcement, **104.3 MYfm** personality Valentine commented, "We live in a world that tugs us daily in so many directions but yet having the ability to truly make a difference in a life is everything – the stories and images we've heard and seen at Childrens Hospital Los Angeles may leave our hearts in a thousand pieces but the smiles and hugs we get back from the children and their families – well, it's amazing how love can bond, thank you Childrens Hospital Los Angeles for making miracles happen."

Greg Ashlock, Clear Channel Los Angeles Market President, added, "It's a privilege and honor to work with the staff at Children's Hospital in playing a small part in making a big difference in these families lives."

Immediately following the 2-day live broadcast and fundraiser event, **104.3 MYfm** hosted the 4th annual Prom, for all the patients who did not have a chance to attend their own prom and wanted the opportunity to forget their troubles for a few hours and just have fun.

About Childrens Hospital Los Angeles

Found in 1901, Childrens Hospital Los Angeles (CHLA) has been treating the most serious ill and injured children in Los Angeles for more than a century, and it is acknowledged throughout the United States and around the world for its leadership in pediatric and adolescent health care. CHLA is one of America's premier teaching hospitals, affiliated with the Keck School of Medicine of the University of Southern California for more than 75 years. It is a national leader in pediatric research.

CHLA is the only hospital in Greater Los Angeles affiliated with the Children's Miracle Network, an international non-profit organization dedicated to helping children by raising funds and awareness for pediatric hospitals throughout Northern America. www.chla.org.
